

Water Cooling Silent Diesel Generator 10 kva 3 phase

Our Product Introduction

for more products please visit us on diesels-generators.com

Basic Information

- Place of Origin: China
- Brand Name: Minlong
- Certification: ISO9001
- Minimum Order Quantity: 1
- Price: Negotiation
- Packaging Details: Wood case
- Delivery Time: 10-15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 1000 pieces per week

Product Specification

- Type: Silent Diesel Generator
- Control Panel: Automatic/Manual
- Noise Level: Low
- Warranty: 1-2 Years
- Protection System: Voltage/ Frequency/ Temperature/ Oil Pressure/ Overload
- Frequency: 50Hz/60Hz
- Power: 10kW-1000kW
- Maintenance: Easy
- Highlight: **Water Cooling Silent Diesel Generator, Automatic Silent Diesel Generator, 10 kva 3 phase generator**

Product Description

Product Description:

The Cummins Power Diesel Generator is a silent diesel generator, designed to offer low noise levels and fuel consumption. It uses diesel as its fuel, and has a frequency of 50Hz/60Hz. It is a reliable and efficient diesel generator set, providing power for a variety of applications.

The Cummins Power Diesel Generator is designed to reduce noise, with its advanced noise reduction technology. It has a low fuel consumption, and can be used for a variety of applications, such as automotive, industrial, commercial, and residential. The generator is also designed to be energy-efficient, with a high efficiency rate and low emissions.

The Cummins Power Diesel Generator is a reliable and durable generator set, with a long service life and low maintenance requirements. It is easy to operate and maintain, and can be used for a wide variety of applications. The generator is also designed to be highly reliable and efficient, and can provide reliable power for long periods of time.

The Cummins Power Diesel Generator is an ideal choice for a variety of applications, offering low noise levels, low fuel consumption, and reliable and efficient power. It is a reliable and durable generator set, with a long service life and low maintenance requirements. The Cummins Power Diesel Generator is an efficient and reliable generator set, providing reliable and efficient power for a variety of applications.

Features:

Product Name: Silent Diesel Generator

Voltage: 220V-440V

Starting System: Electric/Manual

Protection System: Voltage/ Frequency/ Temperature/ Oil Pressure/ Overload

Type: Silent Type Diesel Generator

Control Panel: Automatic/Manual

Silent Type Diesel Generator Set

Open Silent Type Diesel Generator Set

Technical Parameters:

Property	Description
Product Name	Silent Diesel Generator
Frequency	50Hz/60Hz
Power	10kW-1000kW
Type	Cummins Power Diesel Generator, Open Silent Type Diesel Generator, Silent Type Diesel Generator Set
Noise Level	Low
Starting System	Electric/Manual
Warranty	1-2 Years
Fuel	Diesel
Maintenance	Easy
Cooling System	Air/Water
Voltage	220V-440V

Applications:

Silent Diesel Generator Set with Low Noise Level

The Minlong brand silent diesel generator sets feature a low noise level and have been certified by ISO9001. Each generator set is packaged in a wood case and is available for delivery in 10-15 days. Payment options include L/C, D/A, D/P, T/T, Western Union, MoneyGram. The supply ability for these generator sets is 1000 pieces per week. The protection system of these generator sets includes voltage, frequency, temperature, oil pressure, and overload protection. Additionally, the generator sets come with a 1-2 year warranty and a frequency of 50Hz/60Hz. The voltage range is 220V-440V.

Customization:

Open Silent Type Diesel Generator powered by Cummins

Brand Name: Minlong

Place of Origin: China

Certification: ISO9001

Minimum Order Quantity: 1

Price: Negotiation

Packaging Details: Wood case

Delivery Time: 10-15 days

Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram

Supply Ability: 1000 pieces per week

Noise Level: Low

Maintenance: Easy

Operation Time: Long

Protection System: Voltage/ Frequency/ Temperature/ Oil Pressure/ Overload

Fuel Consumption: Low

Our open silent type diesel generator powered by Cummins is of low noise level, easy maintenance and long operation time. It offers great protection system such as voltage/ frequency/ temperature/ oil pressure/ overload and low fuel consumption. With ISO9001 certification, you can trust in the quality of our products. Minimum order quantity is 1 piece and price is negotiable. It is usually packed with wood case and takes 10-15 days for delivery. We accept payment methods such as L/C, D/A, D/P, T/T, Western Union, MoneyGram. Our supply ability is up to 1000 pieces per week.

Support and Services:

Silent Diesel Generator Technical Support and Service

We provide quality technical support and service for our Silent Diesel Generator products. Our experienced and knowledgeable team of technicians provide comprehensive maintenance and repair services for all of our Silent Diesel Generator products. We offer a full range of services, from preventative maintenance to emergency repair, to ensure that your Silent Diesel Generator is running smoothly and efficiently. We also offer customized solutions to meet any specific needs that your Silent Diesel Generator may have.

Our technicians are available 24/7 to answer any questions you may have and to provide the best technical support possible. We take pride in our work and strive to ensure that your Silent Diesel Generator is running at peak performance. If you ever have any issues with your Silent Diesel Generator, please do not hesitate to contact us for assistance.

Packing and Shipping:

Packaging and Shipping for Silent Diesel Generator

We use the following packaging and shipping process for all Silent Diesel Generator purchases:

The Silent Diesel Generator is placed into a plastic bag in order to protect it from moisture, dust, and other elements.

The bagged Silent Diesel Generator is placed into a cardboard box and secured with packing tape.

The box is labeled and placed onto a pallet.

The pallet is then wrapped and secured with shrink wrap.

The pallet is loaded onto a truck for shipping.

The shipment is tracked and monitored until delivery.

FAQ:

Q: What is the brand name of this Silent Diesel Generator?

A: The brand name of this Silent Diesel Generator is Minlong.

Q: Where is it made?

A: This Silent Diesel Generator is made in China.

Q: What certifications does this Silent Diesel Generator have?

A: This Silent Diesel Generator has ISO9001 certification.

Q: What is the minimum order quantity?

A: The minimum order quantity is 1.

Q: How is the Silent Diesel Generator packaged?

A: The Silent Diesel Generator is packaged in a wood case.
