

## 1500rpm Perkins Diesel Generator 400V 50Hz Brand

### Basic Information

- Place of Origin: China
- Brand Name: Minlong

### Product Specification

- Noise Level: 75dB(A)
- Speed: 1500rpm
- Frequency: 50Hz
- Dimension: 3000\*1700\*1900mm
- Voltage: 400V
- Warranty: 1 Year
- Brand: Perkins
- Type: Diesel Generator
- Highlight: **50Hz Perkins Diesel Generator ,  
Perkins Diesel Generator,  
1500rpm Perkins Generator**

## Product Description

### Product Description:

Perkins Diesel Generator is a heavy duty diesel electric generator that is designed to work efficiently with advanced technology. This generator is very reliable and operates at a noise level of 75dB(A) with a fuel consumption of 195L/h. It is powered by 1500rpm and is backed by a one year warranty, making it a great choice for any power needs. It is ideal for a wide range of applications, including residential, commercial, and industrial. With its strong and durable construction, this generator can withstand harsh conditions and provides a reliable source of power. Perkins Diesel Generator is the perfect choice for anyone looking for an advanced diesel electric generator.

### Features:

**Product Name:** Perkins Diesel Generator

**Warranty:** 1 Year

**Noise Level:** 75dB(A)

**Controller:** Deep Sea

**Voltage:** 400V

**Frequency:** 50Hz

**High Output Diesel Generator:** Yes

**Heavy Duty Diesel Generator:** Yes

**High Output Diesel Generator:** Yes

### Technical Parameters:

Attribute	Value
Brand	Perkins
Type	Heavy Duty Diesel Generator
Dimension	3000*1700*1900mm
Net Weight	4500kg
Cooling System	Water Cooled
Power	1000kVA
Noise Level	75dB(A)
Fuel Consumption	195L/h
Frequency	50Hz
Voltage	400V

### Applications:

The **Minlong Advanced Diesel Electric Generator** is designed and manufactured in China with a frequency of 50Hz and Deep Sea controller. The advanced generator provides high output and fuel efficiency, consuming only 195L/h. Minlong offers a one-year warranty for the generator, so you can have peace of mind knowing that your purchase is secure. The high output diesel generator is perfect for a variety of applications and settings, from powering small businesses to large-scale industrial operations. With a robust design and advanced features, the Minlong generator is a reliable power solution for any situation.

### Customization:

Minlong Perkins Diesel Generator

Advanced Diesel Electric Generator, Durable Diesel Generator Set, Heavy Duty Diesel Generator.

Brand Name: Minlong

Place of Origin: China

Power: 1000kVA  
Brand: Perkins  
Starting System: Electric  
Warranty: 1 Year  
Net Weight: 4500kg

### Support and Services:

Perkins Diesel Generator Technical Support and Service

At Perkins, we are committed to providing our customers with the highest quality of technical support and service. Our team of dedicated engineers is available to answer any questions you may have regarding the operation, maintenance, and repair of your Perkins Diesel Generator.

We offer several options for technical support. You can contact us by phone at 1-800-PERKINS or via online chat. Our online chat feature allows you to have a real-time conversation with our engineers and get answers to your questions quickly and easily.

In addition, our website has a comprehensive library of technical documents and videos that can help you get the most out of your Perkins Diesel Generator. We also offer on-site service and repairs when needed.

At Perkins, we are dedicated to providing our customers with the best technical support and service possible. Our team of experts is ready to help you get the most out of your Perkins Diesel Generator.

### Packing and Shipping:

Perkins Diesel Generator Packaging and Shipping

The Perkins Diesel Generator is carefully packaged in a cardboard box and then placed in a larger wooden box for shipping. The wooden box is sealed with a waterproof sealant to ensure the product is protected from any external damage during shipment.

The box is securely strapped onto a pallet to ensure it is stable during transit.

The pallet is then loaded onto a truck for delivery to the customer.

### FAQ:

**Q: What is the brand name of Perkins Diesel Generator?**

**A:** The brand name of Perkins Diesel Generator is Minlong, which is made in China.

**Q: What is the place of origin of Perkins Diesel Generator?**

**A:** Perkins Diesel Generator is made in China.

**Q: How does the Perkins Diesel Generator work?**

**A:** Perkins Diesel Generator works by converting mechanical energy into electrical energy.

**Q: What are the benefits of using Perkins Diesel Generator?**

**A:** Perkins Diesel Generator offers a reliable, cost-effective and efficient power solution.

**Q: What type of maintenance is required for Perkins Diesel Generator?**

**A:** Regular maintenance is required for Perkins Diesel Generator, which includes checking the oil and changing the oil filter regularly.
